

## EXPORTS

Olympic Industries Limited, Bangladesh's premier biscuit manufacturer, takes pride in offering its high-quality products to the global market. With an extensive infrastructure including eleven biscuit production lines, five confectionery lines, four dedicated bakery lines, two noodle lines, and two snacks lines, we possess the capability to fulfill a wide range of requirements. Currently, we export to over 32 countries worldwide.

Our dedication to quality is unparalleled. As pioneers in Bangladesh, we were the first biscuit manufacturer to attain ISO 22000 certification, ensuring top-tier standards in food safety and hygiene. Additionally, all our production facilities hold Halal certification, ensuring adherence to Islamic dietary laws.

Recognizing the importance of effective cross-cultural communication, a substantial portion of our product packaging is multilingual, tailored to serve our global clientele. Furthermore, we offer flexibility to accommodate specific customer needs.

To explore our diverse range of Olympic products, we invite you to visit our Brands page. For inquiries regarding exports, please visit our website's dedicated "Export" section. Alternatively, you can contact our Export Manager directly via email at [export@olympicbd.com](mailto:export@olympicbd.com) or by phone at +880 1760-403595.

We eagerly anticipate the opportunity to collaborate with you and to introduce the flavors of Bangladesh to the world.
